Case I.H. Red 455

New Holland Red (Old IH Red) 461

Red Primer 406

Want a Step Up in Quality?

Performance Ag & Fleet Acrylic Enamel

This product is an acrylic enamel finish coat specifically designed for use where an "automotive quality" finish is desired. It has been formulated to provide outstanding long-term gloss retention, durability, and excellent fade resistance. Fast-drying time enables a 30 minute recoat.

Gloss White 462 and White Metal Primer 407 are also available.

NOTE: Colors shown are produced as close as modern printing techniques permit and are only approximate representations of the actual colors.

Additional Products:

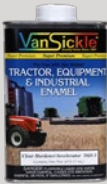

447 Clear Coat

Provides additional protection and fade resistance that can be applied over properly cured and lightly sanded enamel finishes.

7019 Clear Hardener/Catalyst

Available for increased durability, chemical resistance, and long-term gloss retention.

7028 Clear Hardener/Accelerator

A low-cost alternative to 7019. Reduces dry time and improves enamel hardness.

R-05 Exempt VOC Reducer

This fast-drying reducer contributes better flow and brushing properties when used as recommended.

169 Sandable Gray Primer

Formulated to provide outstanding build for fast filling without shrinkage. This fast-drying primer enables sanding and top-coating within one hour of application.

167 Self-Etching Primer

A multi-surface primer that can be finish-coated in one hour. Offers excellent adhesion to metal, aluminum, galvanized fiberglass, wood, most plastics, and more.

Refurbishing a tractor? Use our Fuel Tank Liner Kit.

- Seals and protects new and aged gas tanks
- Packaged in a convenient three-step kit

Discover the VanSickle Difference

Formulating and delivering top-quality coatings for over 100 years!

Manufactured from Top Quality Soybean/Alkyd Resin

- Exceptionally durable
- Superior adhesion to unprimed metal

Contains Rust Arrestor

- Contains and controls rust efficiently

Superior Coverage

- High solids content requires fewer coats for maximum protection

Designed to Last

- Excellent gloss retention
- Top-quality color retention compared to similar product lines

Most Complete Color Offering in the Industry

- Colors available for any tractor, from antique to current models

Custom-Packaged Aerosols

- Ensures uniform touch-up with easy application

Multi-Purpose Coating for All Your Maintenance Needs

- Tools, trucks, stock cars, trailers, tanks, and other wood or metal surfaces

Two Hardener Options Available to Enhance Gloss Retention, Dry Time, and Hardness

Remember...

Always READ YOUR LABEL to learn about proper surface preparation, thinning, application instructions, and more!
